21	Would really like to see Neighborhood parks and shelters updated and taken better care of. A lot of the equipment is old and is showing its wear and tear. Lots of weeds and doesn't look like anyone is upkeeping the parks and shelters. Hoping that updates will be made to current parks and more parks will be built so my children will be able to enjoy them!	8/22/2018 1:53 PM

34	I think you are all doing great. Preserve the wonderful community we have. Maintenance, and continued evolution of our amenities is great to see. As the community continues to grow, proper park and rec space management is key.	8/21/2018 10:10 AM
35	Connecting bike trails to larger areas like Victoria, Chan, and EP to avoid riding on roads (esp. Highways).	8/21/2018 7:52 AM
36	Getting kids outside off screens	8/20/2018 9:42 PM
37	Remember the reason people move/live here. For the quality community. Not for the expansion of box stores.	8/20/2018 5:52 PM
38	Mountain Biking Trails	8/20/2018 3:34 PM
39	Improve the beach area of Grace Lake in Jonathan. This needs to mimic what they did downtown to the Clayhole. As a Jonathan resident I feel this is one area that could really benefit the many families that do not want to go all the way downtown to go swimming. I grew up in Jonathan in the 80's when Grace Lake was the destination for all the kids in the neighborhoods to connect and have fun!!!!	8/20/2018 3:09 PM

43	Is parks/rec responsible for the clubhouse at the Chaska Town Course? If so, any discussion of updating/expanding the clubhouse so it could host larger tournaments and perhaps offer another venue in the city for other events? The patio offers a great view, on nice days it's so crowded!	8/20/2018 12:10 PM

48	Single track mountain biking	8/20/2018 7:06 AM
49	Running and Mtb trails	8/20/2018 6:48 AM
50	An immediate priority should be to better maintain the current skate park in Chaska. My son and many others enjoy using it but there are safety issues and weeds growing where they shouldn't be. Carver's skate park is well maintained and more enjoyable for them. However they need a ride to get there. Many kids live sighing skate/scootering distance of Chaska's Park. This would also deter them from street riding where it is unsafe or bothersome for others.	8/20/2018 6:05 AM
51	Mountain bike trails and support of current work on mountain bike trails	8/20/2018 5:43 AM

63	Cross Country skiing maintained trails	8/19/2018 5:20 PM

65	We need more baseball/softball fields.	8/19/2018 3:35 PM

119	maintain beach, keep gravel trails, safety	8/15/2018 10:47 PM
120	Connect the CCC to the Audubon trail along Engler. Also, you have a fabulous trail system you've spent good money on, but you can't use a good 40% of 3 months out of the year. Maintain what you've spent money on year round, plow ALL your paths, not just the ones people can see from a road!	8/15/2018 10:30 PM

125	Maintain existing bike paths/ t	8/15/2018 7:12 PM
126	Create strong affordable sports programs for kids at all levels (competitive/recreational). It costs \$22,000 to put a kid thru CC United from 1st grade up until he's able to play in high school. For MANY people with multiple kids, this is cost-prohibitive for many people, but if your kids who want to play competitively and may wish to play a high school sport, they need a program that offers experienced coaches.	8/15/2018 5:38 PM

128	n/a	8/15/2018 5:27 PM
129	Having a 18 hole disk golf course would be great for the more advanced players. The majority of disc golfers are very respectful. To the park and the environment. 144	Community center's theater update	8/15/2018 12:57 PM
145	Keep the ponds and lakes clean, free of invasive species, provide more shore fishing but not through piers, Also some of the areas I listed as neutral simply because maintaining current level is great. Relative to Cricket I put disagree but feel this is an emerging need that may need stronger consideration than I would give it	8/15/2018 12:44 PM
146	I would LOVE to walk my dog inside during our brutal months of winter.	8/15/2018 12:41 PM
147	Playgrounds and trails in new housing developments	8/15/2018 12:30 PM
148	An outdoor pool	8/15/2018 12:25 PM
149	I think the biggest priority is trails, those existing aren't all in great shape. Beyond trails I think a park in the NE part of Chaska would be good to focus on given the density without any current park (South of 5, around Bavaria)	8/15/2018 12:22 PM
150	It would be really nice to see a fenced in dog park!	8/15/2018 12:22 PM
151	Invest in Chaska Town Course to keep it in strong condition for future (greens)	8/15/2018 12:07 PM
152	Better running trails	8/15/2018 12:00 PM

156	DISC GOLF	8/15/2018 10:22 AM
157	Above I agreed that community gardens have value, however, I haven't been able to find information about community garden plots on the city's website. Where does one find that information?	8/15/2018 10:03 AM
158	Preserving green space should be the top priority!	8/15/2018 9:54 AM
159	Drinking fountain and more garbage cans.	8/15/2018 9:51 AM

162	Timely upkeep and repair of existing amenities	8/15/2018 9:40 AM
163	Disc golf is something I would travel an hour for. I wouldn't normally visit the area, but a 18 hole course would get me out there!	8/15/2018 9:39 AM
164	Activities for active adults	8/15/2018 9:18 AM
165	Neighborhoods and Community gathering spaces and events like Firemans Pak	8/15/2018 9:16 AM

167	More events in the city to draw people in and more parking options	8/15/2018 8:51 AM
168	Trails are important	8/15/2018 8:48 AM
169	The paved trail system ends abruptly on 41 just north of Pioneer Trail. We need the paved trail on 41 to extend north to 82nd Street to allow safe passage for cyclists/walkers.	8/15/2018 8:00 AM
170	Outdoor pool/slides	8/15/2018 7:48 AM
171	Basketball courts out door, even just half courts so you can practice shooting	8/15/2018 7:14 AM
172	The community center needs major facelift/renovation. Would sign up for membership if wasn't so worn.	8/15/2018 7:13 AM
173	Disc Golf	8/15/2018 7:04 AM
174	We are new to Chaska as of two years ago, so are still exploring all that is offered. I love the idea of off road mountain biking trails or aignage that would make it easier to navigate existing paved trails. The neighborhood parks have been invaluable as we have a 5 year old. Expanding open swim hours at the community center would be nice too.	8/15/2018 6:42 AM
175	Disc golf	8/15/2018 5:22 AM
176	proximity to affordable housing and equity based decision making	8/15/2018 4:14 AM
177	assess (and improve) trail maintenance/continuity. Trails should have better pavement than adjacent roads to keep bikes out of traffic. Should have a plan to save ecology and landscape garden in town - "Design With Nature".	8/15/2018 1:50 AM

179	Curling Center	8/14/2018 11:30 PM

187	Better parking at CCC and better facilities	8/14/2018 10:23 PM
188	Expand teen general recreational areas; skate parks, bike parks, etc. The offerings for children and adults are stellar, the "middle market" might need some more non-programmed areas.	8/14/2018 10:17 PM

190	Community Center	8/14/2018 10:11 PM

192	None	8/14/2018 9:55 PM
193	Conservation, Reclaiming golf courses	8/14/2018 9:39 PM
194	River City Days Triathlon should come back	8/14/2018 9:35 PM
195	Bike trails to connect with other towns & cities. A circle trail within the city is nice, but we need trails to connect to other cities. For example Chaska to Victoria to St. Boni Dakota Trail. In order for me to bike the Dakota trail, I have to drive my bike in toe to St. Boni. I much rather bike from Chaska to St. Boni. I enjoy a 40 mile bike ride.	8/14/2018 9:30 PM
196	taking care of facilities we already have	8/14/2018 9:27 PM
197	Expand outdoor water park options	8/14/2018 9:26 PM
198	Public sports facilities such as disc golf courses, skateparks and leisure plazas	8/14/2018 9:16 PM
199	Disc golf courses	8/14/2018 9:15 PM
200	All parks facilities should have appropriate recycling, trash and compost with helpful signage. And more toddler and little kid activities for working parents (so much is during the weekday).	8/14/2018 9:06 PM
201	Need to have Recycling available at ALL parks along with regular garbage.	8/14/2018 8:46 PM

204	Update CCC	8/14/2018 8:18 PM
205	expand the fitness center at the community center it is way to small.	8/14/2018 8:11 PM
206	Maps of all trails. Cross Country skiing trails.	8/14/2018 7:52 PM

212	Dog Park	8/14/2018 6:59 PM
213	More parking at community center	8/14/2018 6:55 PM
214	Disc golf parks	8/14/2018 6:55 PM
215	Th community center theater needs updating as it is not the safest area but used by so many group, especially those that include children.	8/14/2018 6:53 PM
216	Handicapped accessibility, other traditional sports access such as shooting sports (archery, sling, B.B.), better maintenance of public use buildings, online rental access	8/14/2018 6:47 PM
217	Keep trails in good shape. They get used a lot and have a lifespan. The tunnel under Westin Ridhe parkway is a muddy mess and extremely slippery. A major redo of terrain at the high end of tunnel needs to occur as every time it rains it fills with mud	8/14/2018 6:46 PM
218	City should take on Jonathan parks and trails. I have to pay twice for my nearby assets. Taxes + Assoc fees.	8/14/2018 6:46 PM
219	Bring back the archery range	8/14/2018 6:45 PM

City of Chaska Comprehensive Plan: Parks, Recreation, and Trails

220	If more neighborhood parks are added, how will they be paid for? There is a real imbalance with the city paying for some neighborhood parks and the HOAs having to pay for others. I'd like to see the City either pay for all the neighborhood parks or none of them.	8/14/2018 6:43 PM

453	I believe you are adding a dog park which I think is a great move. I also think there needs to be a commitment to taking care of these parks if you are going to add them. When they aren't maintained it's a waste of money to even add them.	8/14/2018 9:39 AM

497	I live in Town Course Heights and feel it is unsafe to get to the great expanse of trails that already exist. Build a walking/bike trail along Shady Oak Drive!	8/14/2018 9:04 AM
498	Safety - we live next to McKnight Park and are subject to mischief all summer long - late night fireworks, etc. Also the dog park should be priority. People turn their dogs loose in the woods in McKnight Park & do not clean up after them.	8/14/2018 9:03 AM

504	I think Chaska is behind in a lot of things compared to city next to us. They downtown area is dated...you have some really great places to shop (501, Red Bench, Carver Junk...ect) but the city is hand cuffing them. We need better food spots (Noble Lion, Iron Tap). We also have some really good youth sports team but don't have enough space from them to play/practice. Lighted baseball, football, lacrosse, soccer fields.	8/14/2018 9:00 AM
505	Fix the broken stuff! Add more play things to the current parks. Fix the holes in walking paths to play parks!	8/14/2018 8:59 AM

612	I think an outdoor pool would be a nice option. I understand that it would only be used for a short time, but there is not an outdoor water park too close. The Richfield and Edina outdoor pools seem to do quite well in the summer.	8/9/2018 3:07 PM
