- Equipment Specifications
- Completed Application including Pre-Rebate Worksheet and Rebate Calculation Table

Copy of Chaska Utility Bill

By participating in The City of Chaska Rebate Program, you can keep saving energy and earn a rebate when you install Level II or Level III electric chargers. If your project does not fit one of the descriptions below, please contact Energy Management Solutions, Inc. to determine if your project qualifies for a custom rebate.

What Products are Eligible for the Rebate?

Electric Car Charger
Hardwired Dedicated
Level II or Level III Car
Charger

What are the Benefits of Renewable Projects?

Electric car chargers provide power for electric vehicles. Utilizing Level II or Level III electric chargers allows for faster & more efficient charging of electric vehicles.

What Rebate can I Earn?

Electric Car Charger
Level II or Level III
Commercial
\$500 / port

Electric Car Charger
Level II Residential
\$250 / port

How do I Qualify?

1. General Qualifications

- Rebate offered to electric customers served by City of Chaska Electric Department.
- Rebate Applications including Pre-Rebate Worksheet and Rebate Calculation Table must be completed. **Incomplete and/or illegible applications will not be processed.**
- All equipment must be new and meet specification requirements.
- Customers must apply for rebate within one year of the purchase date shown on the equipment invoice.
- Qualifying customers must apply for rebate by *November 30, 2026*.

2. Application - Limited Funds

Rebate requests are processed on a "first-come first-served" basis. Annual rebate funds are limited and payouts could be paid over several years. Rebate programs, qualifications, and amounts are subject to change at any time. Customer is responsible for checking with City of Chaska Electric Department to determine whether the program is still in effect.

How do I Qualify? Continued...

3. Inspection and Verification

The City of Chaska Electric Department reserves the right to inspect installations before issuing rebates and to perform a random verification of your project. Projects with rebate payments over \$5,000 require a pre-check before equipment purchase and an on-site verification. If a City of Chaska Department representative finds that the application does not comply with rules and qualifications, the rebate amount may be adjusted. Call City of Chaska Electric Department for more information.

4. Invoice and Payment

Following the pre-retrofit inspection, completed installation, and post-retrofit verification, the customer must notify the City of Chaska Electric Department and submit invoice(s) specifying the quantity and price of all materials purchased, the date ordered, installation costs and applicable taxes. The Invoice should contain the contractor's name and address as well as the customer's name and installation address.

5. Installation and Rebate Limitations

Installation must be completed before submitting rebate application. Rebate checks will be issued to the customer only. Rebates will not be paid to the supplier or contractor. **Rebates \$300 and under will be issued as a credit on the customer utility bill. Rebates above \$300 will be issued as a rebate check.** Please allow 6-10 weeks from the date of post-retrofit inspection for delivery of rebate check. Rebate cannot exceed the purchase price of labor and materials.

6. Tax Information

The City of Chaska Electric Department will not be responsible for any tax liability imposed as a result of the rebate payment(s). Customers are advised to consult with their tax advisors before submitting rebate requests.

7. Disclaimer

The City of Chaska Electric Department gives no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. The City of Chaska Electric Department does not guarantee that the implementation of energy-efficient measures or use of equipment purchased or installed pursuant to this program will result in energy or cost savings. In no event shall the City of Chaska Electric Department be liable for any incidental or consequential damage.

8. Privacy

Information contained in this rebate application may be shared with the Department of Commerce and Energy Management Solutions, Inc.

9. Rebate Exclusions

- Rebate will not be given for equipment of designs that do not comply with local, state, or Federal regulations.
- The City of Chaska Electric Department is not liable for rebates promised to a customer as a result of a contractor misrepresenting the program.

If you have questions about Qualifying Equipment, please call Energy Management Solutions at (952) 767-7450.
